

TERMS AND CONDITIONS

- Must be a current RushShelby Energy residential member-consumer.
- HVAC unit must be in a home served by RushShelby Energy.
- HVAC unit must be 3 or more years old and not have an existing preventative maintenance contract or agreement.
- The HVAC Tune-Up rebate is designed for air-source heat pumps and central air conditioning systems.
- Tune-up or preventative maintenance must be performed by a licensed HVAC contractor.
- Submission for rebate must include official HVAC Tune-Up Application and proof of purchase with an itemized receipt or invoice.
- Submission for rebates must be within 90 days of tune-up service in the same calendar year.
- One rebate per member account per calendar year.
- Applications are processed on a first-come, first-served basis while funds are available.
- Rebates may take up to six weeks from receipt of the application by RushShelby Energy to process.
- Approved rebates will be returned to the applicant in the form of a check by mail via the U.S. Postal Service.
- Hoosier Energy has full discretion over the rebate and reserves the right to modify the program at any time.
